YOUR STRATEGIC SOURCING PARTNER IN EGYPT

F r e s h | F r o z e n | I Q F T e c h n o l o g y

*2026
Edition*

VISION & MISSION

- **Vision:** To position ourselves as the premier and most dependable gateway for Egyptian agricultural excellence in international markets.
- **Mission:** To empower our global clients by sourcing premium produce, ensuring full compliance with food safety standards, and maintaining transparency in every shipment.

QUALITY ASSURANCE & PRODUCTION

- **Strategic Sourcing Excellence:** We act as your on-ground partner. We reduce the risks by selecting only certified and "Coded" facilities to match your 100% specifications
- **Quality Compliance:** Operating under a certified Quality Management System (ISO 9001)
- **Precision Freezing:** Utilizing IQF technology to preserve natural texture and nutrients, with Blast freezing available upon request

BAZEED for Agricultural Supplies
